

BOYD MARTIN CROSS COUNTRY FIELD **IMPROVEMENTS:**

The Boyd Martin EBT Field has many new improvements. The jumps were reset by Mogie Bearden-Muller. Mogie designs many of Stable View's Horse Trial cross country courses throughout the year. The course is freshly mowed and weed whacked with irrigation efforts in place. Come school and see all the improvements for yourself!

Use of the field is \$60 per horse. You can pay via check or Venmo. The Stable View Venmo is @StableView.

On Sunday July 30th, the field was used for a portion of a Jennie Saville (Brannigan) clinic being held in Aiken. These riders got to take full advantage of the new improvements.
