

COLLECTOR ITEMS NOW AVAILABLE AT STABLE VIEW:

Stable View has already started a line of collectable items with coffee mugs as well as coasters. Now there are pins. These are multi-purpose. They can be put on lanyards, medical armbands, shirts, show coats, and more. There are pins with designs for Stable View, the Healing Arts Studio, Horse Trials, Eventing Academies, Hunter/Jumpers, and Dressage. Every year the colors of these pins will change making these Fall 2023 pins a prized collectable item. These pins can be earned by volunteering at shows or by purchasing them at the show office. Stable View also has new sticker packs available for purchase. These are perfect for water bottles, notebooks, and laptops. Hope to see you soon sporting your new Stable View collector's items.
