Photo by USEA

Jane Jennings has been coming to Aiken since 2007. She purchased her farm in 2016 and is an influential member of the local Eventing Community. Currently she has three horses who she is actively competing with: Larano 5, SF Vancouver 2, and Clarke's Sweet Music.

Recently Jane competed at the American Eventing Championships. She brought home sixth in the Prelim Horse as well as winning and finishing fourth in the Training Horse division. Jane plans to run Oktoberfest with all three horses in a couple weeks. For "Ron" and "Cello" this will be their move-up event. For "Teddy" it will mark his return to the Modified level since an ear infection kept him sidelined

for eight months. Read more about Teddy and his recovery in the Eventing Nation article below.

Jane is a frequent competitor at Stable View. She is seen at Horse Trials, Eventing Academies, and even at the occasional Hunter/Jumper or Dressage show. Recently she organized a clinic with five-star event rider Ryan Wood. The upper-level cross country portion of the clinic took place at Stable View.

Jane has had many successes at Stable View. In July, she and SF Vancouver 2 won the Open Novice Division. In May, at the Local Charity Horse Trials, she and Larano 5 placed second in the Open Prelim and Clarke's Sweet Music won the Open Modified.
