The 2023 Dressage Season is coming to a close. "Fall Frenzy" took place on Thursday, September 14th. This was the last recognized dressage show until "Winter Wonderland" December 9th and 10th.

2023 has been a busy year for dressage at Stable View. "I Love Dressage," started the season in February followed by "Southern Comfort" in March. April was host to "Spring Fever" and May was host to "Do Dah Day." June followed with "Summer Solstice" Dressage. "Only in America" took place in July and then there were two back to back shows in August: "Too Hot to Trot I and II."
