

STABLE VIEW PARTNERSHIPS - BLANCHARD EQUIPMENT:

Blanchard has been a long time supporter of Stable View. Their presence is always seen at Oktoberfest. Many of the jumps in the Derby Field were named after Blanchard and they had several pieces of John Deere Equipment surrounding the fences. Check the reel linked below to see more.

Blanchard has seventeen locations serving South Carolina and Georgia. They are a proud dealer of John Deere Equipment. They sell everything from pre-owned equipment parts to agricultural, residential, and compact construction equipment. They're open Monday-Friday 7:30am-5:30pm. They're open Saturdays 8am-12pm. The Aiken location is conveniently located near downtown at [146 Old Wagener Rd.](#)
