**The Aiken Trailblazer sponsored by Fleet Feet Augusta took place Saturday, November 11th. For this debut race there were runners competing in everything from the Kids Fun Run to the 5K to the 10K. The 1K took place around the pavilion while 5K and 10K participants ran out on the sandy trails. Runners were welcomed**

**If you missed out on the fun this year, need not worry as there are two events on the 2024 Calendar. Mark your schedules now for March 30th and November 9th, 2024. March 30th will feature a half marathon through the woods. There will also be a 5K Human Steeplechase using some of the cross country jumps. November 9th will still host both 5k and 10k races as well as a half marathon. It is promised no two courses will be the same.**
