Aiken, SC. December 21, 2023 - In addition to hosting the USEA Intercollegiate and Interscholastic Eventing Championships at the Charity Horse Trials May 4th-5th, Stable View will also be hosting an Alumni Challenge.

This challenge will allow current graduate students as well as any college alumni to form teams. Stable View recognizes that due to Covid many recent college graduates missed opportunities to compete at the championship for their college. There are lots of college graduates who went to school before the USEA Intercollegiate Eventing Program's inception and never had the opportunity to compete in any team challenges.

This inaugural Alumni and Graduate Student Championship hosted by Stable View will be a chance for any and all college alumni and current graduate students to compete as part of a team. This will be the first of what is planned to be future Alumni Challenges. Gather your college friends and teammates and see you May 4th and 5th at Stable View.

The Alumni Challenge will have its own set of awards that will be announced as soon as possible.

In addition to the Alumni Challenge, Starter has been added to the Charity Horse Trials allowing even more opportunities for horse trial and championship competitors.
