Sterling Thompson Company has been a longtime supporter of Stable View. Logan Gillum manages the Farm Team at Sterling Thompson. When explaining her role she shared, "Our dedicated Farm & Equine department is staffed with a team of knowledgeable insurance professionals, many of whom are horse and farm owners and/or enthusiasts themselves. We understand the coverage needs of the horse and farm owner, and work hard to secure the best terms for our clients from the number of carriers we work with."

Sterling Thompson Company started in 1937 in Louisville, Kentucky as a sole proprietorship. Logan said, "Sterling Thompson, the company founder, employed his nephew Jack R. Thompson after World War II. Jack Thompson assumed ownership and brought in his son, Steve B. Thompson, in 1973. In 1982, R. Alex Rankin joined the firm and now serves as acting Chairman. In 2002, Philip D. Anderton joined the agency, where he now holds the title of President. Each department within the agency is led by a member of the 9-person management team, and in total the agency is comprised of over 80 employees. The agency has enjoyed a history of steady growth over the last 85 years. The skills and professionalism of our employees coupled with the relationship approach to service give our clients peace of mind, knowing they are partnering with a best-in-class agency for their risk management needs. Sterling Thompson Company has consistently been named a "Best Practices Firm" which is awarded to the top 25% of all insurance agencies."

Logan was then asked what the goals are for the future of Sterling Thompson. She said that the company wants to remain an independent agency, keep growing, and continue to deliver superior service for their clients to create long-term relationships.

Regarding Sterling Thompson's relationship with Stable View Logan said, "Community is a core value emphasized at all levels at Sterling Thompson Company. We do not take lightly the support our community has offered us as we have grown locally and beyond. We are proud to say in 2022 we donated more than \$110,000 to various organizations. We are excited to be sponsoring Stable View again this year, and look forward to the continued partnership!"

She ended the interview by sharing, "Our team is comprised of people with the highest level of professionalism, product knowledge, and integrity. We work together to deliver superior outcomes and create long-term relationships with our clients." Stable View thanks Sterling Thompson Company for their continued support.
