There are less than two months until the USEA Intercollegiate and Interscholastic Eventing Championships and the Stable View Alumni Challenge. Entries open on Tuesday, March 19th. Entries will be capped at 400 so make sure to enter early to ensure your

spot. All the National Levels, Starter through Advanced, are offered allowing riders of all levels a chance to compete in the championships. In addition to the three championship divisions, Stable View will run all the regularly scheduled horse trial divisions.

On Friday, May 3rd at 5 pm, there will be a parade of teams for all Intercollegiate and Interscholastic riders. This will be followed by all the Intercollegiate seniors being recognized. Following the ceremony, all attendees are invited to the Graze and Gaze at Ollie's Inn on the backside of the pavilion from 6-8 pm. This will include complimentary appetizers and drinks.

Saturday will consist of all levels doing dressage, the upper levels show jumping, and the lower levels running cross country. Games will take place during Saturday Evening's Graze and Gaze. There will be a mechanical bull riding contest as well as a hobby horse contest. These will be two components that go into the overall Intercollegiate and Interscholastic Spirit Award winners.

Sunday will wrap up the competition. At the conclusion of the day, there will be an awards ceremony for all three championship divisions. The Spirit Award Winners will also be announced.

We hope you can join us as a championship participant, a horse trial rider, or as a spectator. Gather your school's or your favorite team's spirit wear and see you May 3rd-5th. This is an event to not be missed!
