Hunter/Jumper Press Release

Stable View has reluctantly decided to cancel its USEF five-day HJ Series and to refocus on a non-USEF-sanctioned series. This will involve a two-day rather than a five-day format.

A Prize List for the new series will be released as soon as possible.

Dates will be based on the same weekends as at present with a \$2,500 Welcome on Saturday and a \$10,000 Prix on Sunday. Total Prize Money offered will be up to \$25,000.

Ticketed Schooling will be offered on Friday afternoon.

Stable View's signature Graze and Gaze will be offered to competitors and their guests.

In addition to USHJA, it's intended that the Series will continue to be sanctioned by: NCHJA, GHJA, SCHJA, TIP, and

BRHJA (Pending).

There will be end-of-year awards for loyal exhibitors.

A major focus of the new Series will be the USHJA Outreach Program.
