

STABLE VIEW SPOTLIGHT: KELLY COLLINS

Kelly Collins is a familiar face for many competitors. You will often see her at the show office and she also assists riders over email and phone. Her job is primarily secretary work as well as customer service. She has worked at Stable View for almost two years. Kelly is a Winthrop Alumni.

Kelly is a new mom with a six-month old baby named Reed. While this takes up much of her free time, she also likes to read. Kelly says, "My favorite memory of Stable View was riding a horse for

the first time." The office staff competed in a lead line class at one of the Schooling Dressage Collection Shows. Out of the four riders, Kelly took home the blue ribbon.

Kelly's favorite show she has worked is the USEA Intercollegiate and Interscholastic Championships. She said everyone was so happy and spirited. She also enjoys working Oktoberfest every year.
