Lilo and Ella Olliff can be considered the official mascots and guard dogs of Stable View. They are owned by Cyndy and Barry Olliff. They both spend their days with the office staff; although Lilo sometimes prefers to help on the grounds.

Lilo is a six-year-old Belgian Malinois. She has been at Stable View since December of 2021. She is the more extroverted one of the two sisters. She can often be found with the grounds crew, arena builders, or Harvest Hosts. She loves to play pine cone fetch. If you choose to join her, just be sure to let her drop the pinecone before you grab it, as she is still mastering her sharing skills.

Ella is a four-year-old Carolina Ditch Dog. She is much more introverted than Lilo. She loves spending time with her family and those she knows but is hesitant with new people. Ella had been at Stable View since the Spring of 2021. She loves to hunt and go on runs in the woods in her free time.
