

COLLECTION AND INSTITUTE ATTENDANCE AWARDS

Did you try to win attendance awards in grade school? Typically those prizes were just a certificate. However, both the Dressage Collection and the Hunter/Jumper Institute at Stable View have attendance awards with better prizes. The Dressage Collection will reward a prize to the pair that attends the most shows. If there is a tie it will be broken by the lowest dressage score. Currently, Anne Dearborn and Chaumiere's Worthy Catch are in the lead. They have attended all seven shows so far. In second place are Chris Derr and San Francisco ZA (Bennett) who have attended five shows. Suze Maze and Siegfried are third with their attendance record of four shows so far. For the Hunter/Jumper Institute, you don't even have to have attended the most to get a prize (or four). Rider/horse combinations who attend all eleven shows will receive four prizes, ten will receive three prizes, nine will receive two prizes, and eight will receive one prize. The trainer with the most students brought to the schooling series throughout 2024 will win a prize. Riders must put their trainer's name in the trainer blank on EventEntries.

Currently, two combinations have attended four shows with those being Merissa Mackey and The Perfect Storm and Waylon Roberts and Le Patriot. Nine combinations have attended three shows so far. Click [here](#) for the complete attendance record so far.
