

COME SCHOOL THE BOYD MARTIN ETB SCHOOLING FIELD:

The Boyd Martin ETB Schooling Field is open for schooling. There are over thirty jumps and six fixed assets. All fences are built by Eric Bull of ETB Construction. It has been open for upper-level schooling since February 2019. It has questions that cater to the training level through the four-star level.

Cross Country Schooling costs \$60 per horse per day. The best way to enter is via Gate 5. All riders are required to sign a Stable View waiver before riding. There is a QR Code with a link to it at the entrance to the schooling field. There is also a link to Stable View's Venmo account and a box for those paying with a check.
