

2024 - THE YEAR OF A REDESIGNED HUNTER/JUMPER PROGRAM

2024 marked the first complete year of the Hunter/Jumper Institute as well as the start of the new In & Out Series.

The Hunter/Jumper Institute is the perfect opportunity to school over professionally designed courses. The courses are designed by Brody Robertson. Jumpers cost \$25 a round and Hunters cost \$30 per height. Jumpers range in height from .65M to 1.25M+. Hunters range from crossrails to 3'6". Come school in a show atmosphere without a judge.

The Hunter/Jumper In & Out Series began in June. Jennifer Nodine is the manager of this series. These shows offer up to \$20,000 in prize money including a \$5,000 1.25M Grand Prix, a \$2,500 Welcome Stake, two \$500 Hunter Derbies, and several new Sunday Jumper Classics (.65M, .80M, and 1.0M). The In & Out Series is GHJA, NCHJA, and SCHJA recognized
