

## **THE BISTRO:**

**Many Stable View competitors have attended Graze and Gaze prepared by Stable View's chefs. Many volunteers and officials have enjoyed lunches prepared by Stable View's chefs. But did you know you can now order breakfast or lunch from the Stable View Bistro?**

**The Stable View Bistro is open Monday through Friday 8am to 4pm as well as most show weekends. All food is prepared by Chef Chris. The menu changes every couple of months but regularly consists of salads, burgers, breakfast sandwiches, desserts, and more. Check out the menu at the website by clicking this [link](#).**

**Order can be placed online or at one of the Kiosks located at Ollie's Inn and the Show Office. Orders can be picked up in Ollie's Inn. There are placed in to-go containers but diners are welcome to take advantage of the tables inside and outside of the pub.**

**Plan on trying out the Stable View bistro for your next lunch.**
