**The Go Eagles Team won the first Adult Team Cup of 2025. The team was comprised of Hayley Frielick, Cassie Plumb, Whitney Pierpont, and Jane Jennings. Hayley competed her own Dunedin LB Muze and Jane competed Nancy Wilson's Ballygriffen Riley in the Beginner Novice Horse Division. Whitney competed her own Derroon Eagle in the Open Novice. Cassie Plumb competed her own Happy Hour in the Open Training.**

**Each team member won a pair of Sunglasses donated by Stable View Sponsor, SunHeist. Check out their website [here](#) and order your own pair of sunglasses to welcome Spring.**

**Jane, Cassie, Hayley, and Whitney all said they were appreciative of the Adult Team Cup which got the four together to ride as a team. They had a good time cheering each other on. Whitney shared, "Winning the super nice SunHeist sunglasses was an awesome touch. The sunglasses are comfortable, light, and stylish ~ A great memento from Stable View's Horse Trial."**

**The team came up with their name, "Go Eagles," based on two things. The first being the Eagles football team and their winning streak and the second being Derroon Eagle, Whitney's horse, who is nicknamed "Fly", which correlates with the Eagles victory song "Fly Eagles Fly." Jane helped Whitney find Fly in Ireland this past April. Whitney said, "He is a seven-year-old Irish Sport Horse ~ sweet, funny, eager to please, and loves to jump. He especially loves Stable View's Eventing Academies and Horse Trials."**

**Join us for the next Adult Team Cup at the April 4\*, April 4th-6th.**
