

2025 EVENTING ACADEMY THEMES:

Each Eventing Academy in 2025 has a theme. The February EA fell on Valentine's Day weekend so the theme was naturally Valentine's Day. First-place Horse Trial Division winners received chocolates donated by La Bonbonniere. Chef Chrismade heart-shaped cheesecakes for Graze and Gaze. Many of the cross county jumps were decorated with hearts and pink and red flowers.

The March Eventing Academy's theme was Spring. Meadow Aiken donated reusable water bottles with an equestrian print to each horse trial division winner. Jumps were once again decorated and named after the theme. Graze and Gaze featured flower-themed foods such as lavender brownies.

The July Eventing Academy will be sponsored by Classic Cone and the theme will be National Ice Cream Day. The August Eventing Academy falls close to World Honey Bee Day. Winners will receive a jar of Stable View honey. The October EA will be in honor of Breast Cancer Awareness Month. More details will come as opening day approaches. The prize sponsor for October will be Engineered Equine Performance. The November Eventing Academy will be host to the Championship Event. Read more about it [here](#).
